

ENEL REDUCTION TO PRACTICE CHALLENGE SPECIFIC SOLVER AGREEMENT

1. PREMISES

Please Read This Carefully! You are agreeing to this Enel Reduction to Practice (RTP) Challenge-Specific Solver Agreement (“**CSA**”) for this particular RTP Challenge only.

The RTP Challenge (hereinafter the “**Challenge**”) is relevant to the following issue: Accurate Seasonal Forecasts to accurately predict rainfall and temperature anomalies over a time horizon of about 9-12 months especially for Italy and Spain. More details are contained in the Challenge Statement, available at <https://openinnovability.enel.com/>, of which this CSA is an annex.

Enel Green Power S.p.A. acting as the seeker for this Challenge (hereinafter the “**Seeker**” or “EGP”), has required that you accept these special terms, so please take the time to understand them.

Please note that this Challenge is managed in collaboration with Wazoku, Inc., the challenge program partner of Enel S.p.A.

If you click "Submit" and proceed to the Open Innovability® Portal for this Challenge, this CSA will be a valid and binding agreement for all purposes relating to this Challenge and in addition to the [Terms of Use](#) of Open Innovability® Portal, that you accept when you submit your solution (as a draft or a definitive deliverable). Please print and keep a copy of this CSA. No provisions you may have agreed to that are specific to any other challenge will apply.

2. ELIGIBILITY

The employees of the Seeker who are involved in the organization and management of the Challenge and all the people admitted to the Open Innovability® Portal back office, as well as their spouses or partners and their relatives up to the fourth degree determined according to Italian law, are not eligible for participation in this Challenge.

Also, employees of the companies of the Enel Group who have worked in the technical sector of Hydroelectric activities field and that work, in the moment of the competition, on seasonal forecast activities, or their spouses, partners or any of their relatives up to the fourth grade determined according to Italian law are not eligible for the participation in this Challenge. It is the Solver’s responsibility to verify with the members of his/her kinship or spouse or partners (or with regard to his/her team members’) whether any of them is connected in any way to the Challenge or the Open Innovability® Portal and request (by e-mail to openinnovability-support@enel.com), if necessary, any additional information to Enel Green Power to fulfil such obligation, as well as their spouses or partners and their relatives up to the fourth degree, are not eligible for participation.

By entering this Challenge, you will be deemed to be a “**Solver**”.

By proposing the Solution, the Solver represents and warrants that:

- 1) He/she is eligible to participate in the Challenge;

- 2) If you are an individual representing a business or other entity, you are authorized to enter into this Agreement on behalf of that business or entity.

- 6) He/she has viewed and accepts the privacy policy of the Platform and undertakes to comply with EU Regulation 2016/679 ("GDPR") and any other applicable privacy legislation;
- 7) The Solver owns all the rights, including, but not limited to, all intellectual property rights and/or has obtained any and all consents, approvals, or licenses required in order to make, submit and use the Proposed Solution in any manner consistent to this CSA and by participating to the Challenge no third party rights are breached; the Seeker and/or Wazoku is not requested to verify the authenticity of the rights' ownership of the Proposed Solution and any issues derived from third party claims that may arise are the solely responsibility of the Solver; nonetheless, the Seeker and/or Wazoku reserves the right to disclose the identity of the Solver to any third party claiming that the material posted or uploaded by the Solver to the Platform constitutes a violation of their intellectual property rights, or their confidentiality/privacy rights. The Seeker and/or Wazoku reserves the right to ask for additional evidence or documents to validate that all information supplied by the Solver is true and complete;
- 8) you have all the rights, licenses, permissions and consents necessary to grant all of the rights thereof to the Seeker, including the right for Seeker to use and develop derivative works of and from the Proposed Solution;
- 9) all persons who were engaged by you to work on the Proposed Solution or who appear in the Proposed Solution in any manner have:
 - a. given you their express written consent to submit the Proposed Solution for unlimited, royalty-free use, exhibition and other exploitation in any manner and in any and all media, whether now existing or hereafter discovered, throughout the world, in perpetuity;
 - b. provided written permission to include their name, image or pictures in or with your Proposed Solution (or if a minor who is not your child, you must have the permission of their parent or legal guardian) and you may be asked by Seeker to provide permission in writing;
 - c. no claims for payment of any kind, including, without limitation, for royalties or residuals, have no approval or consultation rights or any rights of participation arising out of any use, exhibition or other exploitation of the Proposed Solution;
 - d. not been and are not currently under any union or guild agreement that results in any ongoing obligations resulting from the use, exhibition or other exploitation of the Proposed Solution.
- 10) In case the Solver is an employee of a legal entity or has an ongoing collaborative relationship in any capacity with a public or private institution (by way of example only, companies, agencies, universities, research centers), his/her participation in the Challenge is subject to the issuance of the declaration in Annex 1 by the legal entity or public or private institution. The Solver is responsible for ensuring that his/her

participation in this Challenge complies with any policy of the institution, with which the employment or collaboration relationship is in place, may have regarding participation in contests of this type. If the Seeker or Wazoku has reason to believe that the Solver may violate any of those policies, the Seeker or Wazoku reserves the right to prohibit the participation in the Challenge or withheld any award at any time;

- 11) The Solver has not breached any laws in his/her country of residence regarding the legality of entering the Challenge;
- 12) The Solver is not in a position of conflict of interest with this Challenge;
- 13) His/her Proposed Solution will be generated and developed exclusively for the Challenge and does not: (i) violate the rights — including, but not limited to, copyrights, trademark rights, patent rights, privacy rights, or other intellectual property rights — of any third party; (ii) prominently feature any trademarks or logos; (iii) contain content that is defamatory or in violation of any law, irrelevant to the Challenge, or otherwise inappropriate, as determined by the Seeker and/or Wazoku, in its sole discretion;
- 14) The Solver releases and undertakes to hold harmless the Seeker, and its subsidiaries, affiliates, employees and agents from any and all liability or any injury, loss or damage of any kind arising from or in connection with this Challenge or any award.

Wazoku and/or the Seeker has the right to verify each Solver's eligibility and compliance with this CSA, and to terminate any Solver's registration or participation in the Challenge on the basis of its investigation.

3. SUBMISSION OF PROPOSED SOLUTION. DISQUALIFICATION

As a Solver you may submit to the Open Innovability® Portal your proposed solution ("**Proposed Solution**") to the Challenge to which this CSA relates. In addition, by submitting your Proposed Solution, you thereby agree to provide reasonable assistance and additional information concerning your Proposed Solution to Wazoku and/or the Seeker, if requested.

The Seeker reserves the immediate right to disqualify you if, at its sole discretion, you: (i) do not comply with the Terms of Use of Open Innovability® and/or with this CSA, (ii) tamper with the submission process, the Challenge, or the Open Innovability® Portal; or (iii) act in an uncooperative, unsportsmanlike, disruptive, abusive, or threatening manner.

4. SELECTION OF WINNING SOLUTION

The Seeker will judge all Proposed Solutions against the guidelines set out in the Challenge Statement and determine, in its sole discretion, which Proposed Solution best addresses these guidelines ("**Winning Solution**").

The Seeker has absolute and sole discretion to determine whether to accept your Proposed Solution, or any Proposed Solution, and whether to make an Award, multiple Awards or any Award at all, or whether to propose to the Solver a partial Award, if the Proposed Solution does not match all the Solution Requirements defined in the Challenge Statement.

In any case, the Award will be contingent upon theoretical evaluation and test of the Proposed Solution by the Seeker.

The possibility of having a full Award is strictly depending on the added value of the proposed solution relative to any input datasets or foundational frameworks.

The Solver acknowledges and agrees:

- that Wazoku, Enel S.p.A. and the Seeker are not responsible for, and has no liability for, the selection of a winning Solver, if any;
- to hold Wazoku, Enel S.p.A. and the Seeker legally harmless in regard to selection of a winning Solver, if any;
- to hold Enel S.p.A., the Seeker and Wazoku legally harmless for any advice it may provide as to the quality or suitability of submitted solutions;
- to waive any claim against Enel S.p.A., the Seeker and Wazoku for Solver's failure to win an award.

The meeting of the Challenge Statement guidelines does not automatically mean that the Proposed Solution will be accepted by the Seeker.

Wazoku will notify you, within sixty (60) days after the end of the time period set forth in the Challenge Statement, whether your Proposed Solution has been selected by the Seeker for an Award.

5. PAYMENT OF AWARDS

If the Seeker selects your Proposed Solution for an Award, the payment amount specified in the Challenge Statement or, in case of partial Awards, a "**Revised Award Amount**" (if applicable) shall be paid to you by Wazoku within sixty (60) days after occurrence of each of the following: 1) you are notified by Wazoku of your Proposed Solution's acceptance, and 2) the completion of certain verification procedures by Wazoku in relation to identity and reliability of the Solvers and the review and acceptance of such results by the Seeker, and 3) Wazoku's has received the amount of Award(s) from the Seeker.

Payment of any Award is conditioned upon your cooperation with Wazoku's verification procedures referred to in point 2 above.

The Award will be paid to you locally, in U.S. Dollars, or if required by your local law, in your local currency equivalent based on the foreign exchange rate in effect on the date of the disbursement by Wazoku.

Wazoku is not responsible for payment of any Award, or any part of any Award, to any party other than to the Solver. You understand that the Award represents a complete payment, net of any transfer fees and local taxes that Wazoku may be required to withhold, for any accepted Proposed Solution and that you are not entitled to any other compensation of any kind. If local law does not require withholding of taxes, all taxes on Awards shall be your sole responsibility.

6. CONFIDENTIALITY AND INTELLECTUAL PROPERTY RIGHTS

BY SUBMITTING A PROPOSED SOLUTION, YOU UNDERTAKE TO MARK ANY CONFIDENTIAL INFORMATION, IF ANY, AS "STRICTLY CONFIDENTIAL". Enel S.p.A.,

the Seeker and Wazoku undertake to treat as confidential any information marked as strictly confidential by the Solver and not to disclose the Confidential Information to any third party not involved in the selection process. Therefore, you acknowledge and agree that Enel S.p.A. and the Seeker may decide to share, under bond of confidentiality and in respect of the applicable privacy law, the Proposed Solutions to a third-party consultant or to any other Enel Group's company during the selection process, solely for the evaluation of the Proposed Solutions within the Challenge.

At the time you submit your Proposed Solution, in whole or in part, on Open Innovability® Portal, and whether or not your Proposed Solution is selected, you are aware that the Proposed Solution and associated materials (if any) shall be used only for the evaluation of the Proposed Solutions within the Challenge and will not be returned.

The Seeker, its Affiliates, licensees, successors and assigns are in no way obligated to use or continue to use your Proposed Solution (and have no obligation to you or any other person or entity after your Proposed Solution is received).

For purpose of this CSA, "**Affiliate**" means any legal entity directly or indirectly controlling or controlled by or under direct or indirect common control with the Seeker, when "control" means the power to direct the management and policies of such legal entity, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.

You undertake to treat as confidential any information that Enel S.p.A, the Seeker and any Enel Group company will exchange with you within this Challenge.

Each confidentiality obligations set in this CSA shall survive after the termination of this Challenge.

ALL INTELLECTUAL PROPERTY RIGHTS, IF ANY, RELATED TO THE PROPOSED SOLUTION WILL REMAIN WITH THE SOLVER

BY SUBMITTING A PROPOSED SOLUTION TO THIS CHALLENGE, EACH WINNING SOLVER AGREES TO GRANT TO THE SEEKER A PERPETUAL, ROYALTY FREE, NON-EXCLUSIVE, SUBLICENSABLE LICENSE IN RESPECT OF THE WINNING SOLUTION AND OF ALL RELEVANT INTELLECTUAL PROPERTY RIGHTS (INCLUDING PATENTS), IF ANY, FOR THE PURPOSES OF USE AND COMMERCIAL EXPLOITATION OF THE IDEA OR CONCEPT DEMONSTRATED BY THE WINNING SOLUTION, THEREFORE INCLUDING THE RIGHT FOR SEEKER TO USE AND DEVELOP DERIVATIVE WORKS OF AND FROM THE WINNING SOLUTION.

NOTWITHSTANDING GRANTING THE SEEKER A ROYALTY FREE, PERPETUAL, NON-EXCLUSIVE, SUBLICENSABLE LICENSE FOR THE WINNING SOLUTION, THE SOLVER RETAINS OWNERSHIP OF THE WINNING SOLUTION.

By submitting a Proposed Solution to this Challenge, you are aware that Enel S.p.A. and the Seeker may share your Proposal with the companies of the Enel Group and their suppliers for the evaluation of the Proposed Solutions within the Challenge.

THE SEEKER, AT ITS OWN DISCRETION AND WHERE IT IS POSSIBLE, WILL USE THE NAMES OF THE AUTHORS OF THE WINNING SOLUTION FOR COMMUNICATION

PURPOSES AND IN CASE OF PRODUCTION OF PRODUCTS DERIVING FROM THE WINNING SOLUTION DEVELOPED IN THE FRAMEWORK OF THE CHALLENGE.

Without prejudice to the article 5.5 of the [Terms of Use of Open Innovability® Portal](#), if the Winning Solution is proposed by an employee of an Enel Group's company, reference will be made to the Enel Group's current procedures for Intellectual Property Management.

You understand, recognize and accept that:

- Enel S.p.A., Wazoku and/or the Seeker have access to, may create or have created materials and ideas which may be similar or identical to your Proposed Solution in concept, theme, idea, format or other respects:
- Enel S.p.A., Wazoku and/or the Seeker shall have the right to use such same or similar materials, and that you will not be entitled to any compensation arising from the use of such materials. In the event that your entry is identical or similar to the Proposed Solution of another Solver, Enel S.p.A., Wazoku and/or the Seeker reserve the right, at the sole discretion of the Seeker, to either score one Proposed Solution higher than the other subject to the Challenge Statement guidelines.

By entering this CSA, you agree that all Proposed Solutions and associated materials (if any) will not be returned.

7. GENERAL CONDITIONS

Data Protection.

Participation to the Challenge is conditioned on providing the data required on the online registration form on Open Innovability® Portal.

Solvers should not register with multiple e-mail and/or street addresses. In the event of a dispute as to any Proposed Solution, the authorized account holder of the email address used to enter will be deemed to be the person who submitted the Proposed Solution. The authorized "account holder" is the natural person assigned an email address by an Internet access provider, online service provider or other organization responsible for assigning email addresses for the domain associated with the submitted address.

Personal data will be processed in accordance with Enel (OpenInnovability®)'s Privacy Policy which can be located at <https://openinnovability.enel.com/privacy-policy>.

Please note that by registering to this Challenge your Personal Data are transferred to Wazoku, a private company located in United States Wazoku, Inc. 874 Walker Road, Suite C, Dover, DE 19904 USA.

U.S. – EU Privacy Shield, certifies Wazoku as a company who grants an adequate level of privacy protection. Enel will transfer only Personal Data necessary to perform the contract or necessary for pre-contractual measures to allow you to participate to the Challenge.

When the Solver accesses Open Innovability® and submits a solution, ENEL S.p.A. and other ENEL Group companies that consider the solution interesting or to be better investigated, become the independent Data Controller of the processing of all the information provided by the Solver. Enel will transfer only Personal Data necessary to perform the contract or necessary for pre-contractual measures to allow you to participate to the Challenge.

Changes to Terms and Conditions.

By submitting the Proposal, the Solver acknowledges that Enel S.p.A. may vary the terms and conditions of this CSA at any time at their sole discretion but without prejudice to the rights of the Solvers. This includes changes to dates for deadlines and events, locations or specifications of the Challenge, and/or Awards.

Any changes to this CSA will be posted on the Platform timely, therefore the Solver should regularly visit the Platform to check if any update of the CSA has been posted.

No changes can be retroactive, giving the same rights to the Solvers.

Cancellation, changes or suspension of the Challenge.

If a Solver cheats, or a virus, bug, internet bot, catastrophic event, or any other unforeseen or unexpected event that cannot be reasonably anticipated or controlled (also referred to as force majeure) affects the fairness and/or integrity of this Challenge, the Seekers reserve the right to cancel, change, or suspend this Challenge. This right is reserved whether the event is due to human or technical error. If a solution cannot be found to restore the integrity of the Challenge, the Seekers reserve the right to select winners from among all eligible Proposed Solutions submitted before the Seekers had to cancel, change or suspend the Challenge. If any Solver attempts to compromise the integrity or the legitimate operation of this Challenge, or if the Seekers have reason to believe that a Solver has compromised the integrity or the legitimate operation of this Challenge by cheating, hacking, creating an internet bot or other automated program, or by committing fraud in any way, the Seekers may seek damages to the fullest extent permitted by law. Further, any unfair Solver may be disqualified and banned from any future challenge.

The Challenge may be cancelled also if: (i) no solutions are received; (ii) the Evaluation Committee referred to in the Challenge Statement doesn't identify any Winning Solver or (iii) no Winning Solver results due to subsequent exclusion for whatever reason provided for in this CSA.

Conflict.

In the case of any conflict between the terms of this CSA and the Terms of Use, this CSA controls.

Declaration of honour.

By submitting the Proposal, the Solver, who is not an employee of the Enel Group companies, declares to be not in one of the following situations:

- a) it is bankrupt or being wound up, is having its affairs administered by the courts, has entered into an arrangement with creditors, has suspended business activities, is the subject of proceedings concerning those matters, or is in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
- b) it or persons having powers of representation, decision making or control over it have been convicted of an offence concerning their professional conduct by a judgment which has the force of res judicata;

- c) it has been guilty of grave professional misconduct proven by any means which the contracting authority Bank and international organisations;
- d) it is not in compliance with its obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which it is established or with those of the country of the contracting authority or those of the country where the contract is to be performed;
